# **MUKHYAMANTRI RESEARCH AND INNOVATION FELLOWSHIP PROGRAM (MRIP)**

**The Odisha State Higher Education Council (OSHEC) in the Higher Education Department, Government of Odisha invites applications for:**

*“Mukhyamantri Research Innovation (MRI) for extramural funding”*

## **1. Eligibility:**

- 1.1** Regular Faculty with Ph.D. degree and below age of 55 years (as on 1<sup>st</sup> January, 2025) working in State Public Universities and Colleges (Government and Aided) under jurisdiction of Higher Education Department, Government of Odisha can apply for MRI extramural research funding.
- 1.2** The applicant must have secured minimum 54% or equivalent grade at Under-Graduate as well as Post-Graduate level. Further, the applicant must have published at least one paper in a peer reviewed Scopus indexed journal. For candidates having Ph. D. in literature, language and humanities must have published at least one paper in a UGC care journal/peer reviewed journal with high impact factor.
- 1.3** Those who have availed seed funding grants of HED earlier i.e. before 2024 and have completed their projects and settled the financial matter with Odisha State Higher Education Council (OSHEC) can also apply for this project, provided they satisfy clause no. 1.1 and 1.2. They will have to submit the “NO Due Certificate” from the OSHEC in favour of their earlier project.
- 1.4** While applying for MRI, each application form must be accompanied by a research proposal as per the format enclosed.
- 1.5** The proposal must address to solve a research/technology/innovation gap in the concerned subject area or generate data relevant for the development of thrust areas of the state or the nation. The research needs to be relevant and of contemporary nature leading to clear deliverables in terms of new knowledge and/or new products/processes.
- 1.6** Preference will be given to those projects which intend to address the local problems/issues of Odisha state.

1.7 During one's career, a faculty can avail MRI funding twice at the most.

1.8 Permission from the appropriate institutional authorities for providing facilities and for carrying out research must accompany the proposal.

**2 Tenure of the Funding:** 02 years from the date of sanction of funds

**3 Number of MRI Extramural Research Funding Projects to be funded per year:**

State will award annually maximum 60 (sixty) such extramural research Funding Projects on competitive basis after due evaluation of the proposals by domain experts followed by presentation before an expert committee

**4. Funding Amount:**

4.1 For Science and other laboratory related Projects: Maximum amount of grant is limited to **Rs 10.00 lakh** per faculty over a period of 02 years.

4.2 For Social Science and other non-laboratory related projects: Maximum amount of grant is limited to **Rs 7.00 lakh** per faculty over a period of 02 years.

4.3 The amount to be actually approved for the project under various heads will be decided by the Committee of Domain Experts constituted for evaluation based on the merit of the project and the deliverables.

**5 How to Apply?**

5.1 The Research proposal prepared in the standard format is uploaded in HED ([dhe.odisha.gov.in](http://dhe.odisha.gov.in)) and OSHEC website ([oshec.odisha.gov.in](http://oshec.odisha.gov.in)).

5.2 Format must be prepared in MS word with 12 point size of Times New Roman font.

5.3 The applicants must attach a "*No Objection Certificate*" from the Head of the Institution (Heads of the Department in case of Universities and Principals in case of colleges) along with the application format and research proposal.

**6. Monitoring and Evaluation:**

6.1 It is expected that the concerned faculty should publish 02 research publications (at least 01 in Scopus Indexed Journals) per year during the period of the funding.

6.2 It is expected that the MRI funded faculty will try to formulate fresh research proposals towards securing major research funding from National and International agencies towards the end of the two year period of the plan. This is necessary to maintain the growth trajectory of the concerned faculty.

6.3 Annual review and grading of work would be done through a poster presentation at Odisha Research Conclave where experts will be invited to discuss the progress with the faculty and suggest mid-course corrections if any. The grades obtained in this review will be considered for continuation/future projects.

6.4 The OSHEC will administer the entire programme of the MRI Extramural Research funding program.

## **7. Last Date of submission of applications:**

Application completed in all respects must reach the *“The Member Secretary, Odisha State Higher Education Council (OSHEC); 2nd Floor, Odisha State Bureau of Text Book Preparation And Production, PUSTAK BHWAN, A-11, Suka Vihar, Bhubaneswar-751022, Odisha”* on or before **15<sup>th</sup> June, 2025 (5.00 P.M.)**, either by hand or by registered / speed post, superscribing **“Applications for MRI-2025”** on the envelope with a soft copy marked to [oshec.mrip@gmail.com](mailto:oshec.mrip@gmail.com) in MS word and another in PDF format.
